## WHO WE ARE

We are a pharmaceutical OTC (Over the counter) and Allopathic products manufacturer & exporter serving various segments like baby care, health care, pain care, health supplement & skin care. We are a registered company since 1993 and our products are manufactured under Food, Herbal, Cosmetic and Allopathic license.

## OUR HISTORY

Our marketing network started with local markets and has now reached national level & has even crossed boundaries. The credit of our unprecedented success goes to the quality of products, innovative packaging, systemized marketing network, best-in-class customer services & a high regard for consumer values.

## VISION

Manufacturing human healthcare products with a special focus on quality, packaging and cost; making them available to the public.

## MISSION

We dedicated ourselves in catering human healthcare needs by using innovative technologies and organized teamwork for the betterment of the society as a whole.

## SERVICES

Manufacturing, Exports, Private Label, Contract Manufacturing, Product Development, Sourcing, Loan Licensing.
